

## Heartland Health Outreach

1015 West Lawrence, Second Floor

Chicago, Illinois 60640

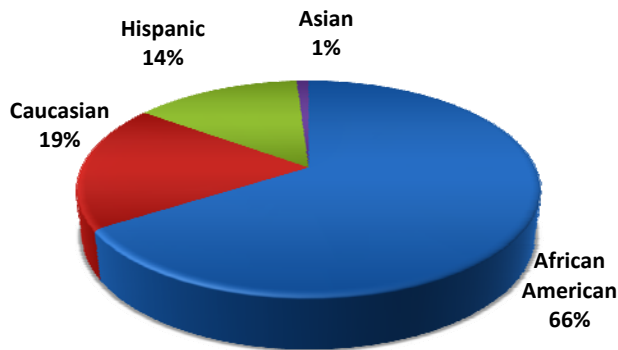

<http://www.heartlandalliance.org>

### MISSION STATEMENT

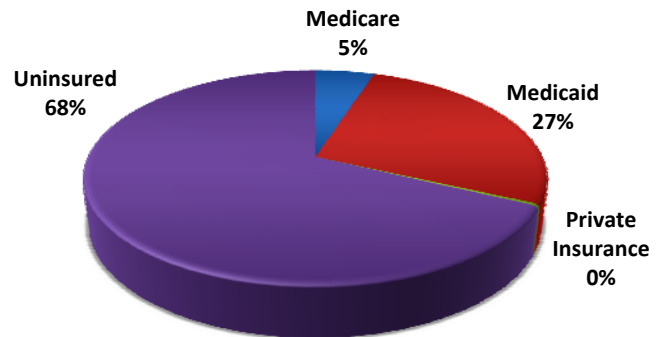

To improve the health of disadvantaged populations- individuals and communities without access to health care- through the provision of culturally competent, multidisciplinary services designed to prevent illness and improve physical, mental and social well-being, and through advocacy that promotes the right to access comprehensive, integrated systems of care.
